

# Member Candidate Profile Form

## WCWUA Board of Directors

### Mission Statement of Nominating Committee

The Nominating Committee provides information to the Waterfall Community Water Users Association Board of Directors for members who are interested in serving on the Board of Directors. Each nominee must be in good standing to be considered as a candidate. Members who are interested in being nominated for Board duties may still submit their name for consideration per the By-Laws of WCWUA.

### Process

Prior to the Members' Annual Meeting, a Nominee's profile form is provided by the Committee to share contact information, skills, knowledge, resources and any special projects the member would like to bring to the Board of Directors. The form can be forwarded to the Nominating Committee or can be personally submitted directly to the Board of Directors by the Member. The Board of Directors will review and notify the Member that they have qualified to be nominated prior to the Member's Annual Meeting.
